The complaint is sworn to by Thomas B. Hart, an employe of the Union Pacific Railroad company. The crime is alleged to have been committed Nov. 28, 1998, at Uintah. in Weber county, when, it is charged, Preston broke into L. & W. car No. 22,994 on the Union Pacific track and removed five boxes of shoes, valued at \$160.

It resulted in nipping in the bud one of the biggest schemes for robbery in this community in many years. Confessions gained from the men by the efficers yesterday were to the effect that the small robbery of Monday night was for the purpose of securing money with which to buy guns and tools for looting the Japanese-American bank on Twenty-fourth street. The premises had been carefully inspected and the plans all laid for the robbery of this bank.
